Graduate Credit for Seniors and Undergraduate Credit for Juniors in the Honors Program

A senior may register for graduate work if recommended by the instructor, head of the department offering the course and approved by the Dean of the Graduate College. Additionally, juniors in the Honors Program may register for 500-level courses for undergraduate Honors credit. Undergraduate enrollment in Graduate courses are available through the Graduate College using a 500 Level Course Petition. This form is used in lieu of a Change of Schedule form and should be turned in to Administration, Room 210 for processing once the proper signatures are obtained. The Dean of the Graduate College will not approve a petition unless the senior has a grade-point-average (GPA) of 3.000 or better on all University Credit and is proceeding toward graduation as directly as possible. Under such a petition, seniors may enroll in 500-level courses for undergraduate or graduate credit (not both). Courses numbered at the 600, 700, and 900 levels are not open to undergraduates. An outstanding incomplete (course with a grade of “I”) is counted as part of the total units outstanding for graduation.

Accelerated Masters Program

The Graduate College offers exceptional undergraduate students in selected majors the opportunity to earn both a bachelor’s degree and master’s degree in as few as 5 years. The Accelerated Master’s Program (AMP) is for the top undergraduates in participating majors who plan to continue in a graduate program in the same, or closely related, UA discipline. To determine if this is an option in your major, see the list of currently approved AMPs.

The Graduate College has established minimum AMP admission requirements; however, departments may set additional or more stringent requirements. Interested students should check with the department offering the AMP regarding the graduate program admission criteria.

Additionally, undergraduates should become familiar with the general AMP degree and tuition policies prior to applying to the Graduate College.

IF A STUDENT IS ACCEPTED INTO A GRADUATE DEGREE PROGRAM AND THE PROGRAM RECOMMENDS ACCEPTANCE OF THE CREDIT A STUDENT MAY USE A COMBINATION OF TWELVE (12) UNITS OF GRADUATE CREDIT EARNED AS (1) A SENIOR; (2) A GRADUATE NON-DEGREE SEEKING; OR (3) GRADUATE UNITS TRANSFERRED FROM ANOTHER ACCREDITED UNIVERSITY TOWARD A GRADUATE DEGREE.
